Work Experience

AI Automation Intern, Growth & SEO — July 2026 - Present
Univest, Gurgaon (SEBI-registered stock advisory & trading platform) — *In-Office*

- Owned AI Blog publishing pipeline (**46 n8n workflows, 40 live**; APIs, WordPress REST): scaled output from **200 to ∼1,150 articles/day** (peak **1,572**), cut event-to-live time from **2-3 hours to 2-3 minutes** & saved **∼10.4K writer-hours in 5 weeks**.
- Automated pages drove **11.38M Google impressions, ∼58,000 clicks & 1,668 conversions** in Jul–Oct (**21%** of all univest.in blog impressions); Google-indexed pages grew **51%** and Google News impressions rose from **0 to 1.43 lakh**.
- Defined anti-cannibalisation rules with SEO lead (original / consecutive/ update-in-place; max **2 URLs per stock**); cut article failure rate from **4.5% to 0.04%** through four publish gates and central auto-retry; reduced AI cost per blog from **Rs. 4.1 to Rs. 1.6**.
- Independently shipped **BlogDesk**, live dashboard tracking published & failed articles and cost per variation,now used daily by team.
- Analysed **Google Analytics & Search Console** data to track SEO performance, CTR & indexing; reported insights to leadership.

Product Management Intern — August 2024 - January 2025
House of Fandom — *Remote*

- Expanded marketplace from US to **UK & Australia**, migrating **100+ SKUs** across eBay & Amazon; optimised product listings.
- Analysed keyword, competitor & pricing across US marketplaces; translated findings into category prioritisation & listing strategy.

Operations Analyst Intern — May 2025 - July 2025
The Akshaya Patra Foundation, Jaipur — *In-Office*

- Identified **20 KL/day** reject water (**28% of input**) in a **100 KL/day** dual-stage RO plant; reported findings to management.
- Analysed **3 months** of data; flagged **19% lower yield** at different times; designed **3 treatment proposals** worth at **Rs. 35–60L**.

Projects

Mutual Fund Premium Advisory Suite | *Internal Product, Univest* — Sep 2026 – Oct 2026

- Built **3 tools** from a no-brief start, reviewed by the Senior PM: a client dashboard (plan, calls, execution; daily AMFI NAVs), an operations tracker (lead to premium client), and a live CAS-based report generator (XIRR, tax, fund scores).
- Built dashboards for **managers, advisors & clients** with role-specific KPIs, client records, advisory history & audit trails.
- User-tested with advisors & rebuilt around their workflow; flagged inconsistent client data as an **adoption blocker**.

Spotify India | *Market Entry & GTM Strategy* — Sep 2024 – Nov 2024

- Sized India's concert ticketing market at **Rs.30-47B**; identified **Rs. 20B demand-supply gap** against BookMyShow 60-70% share.
- Mapped competition via **2x2**; proposed dual-track GTM across **4 metros**, projecting revenue from **Rs.190M Y1 to Rs.2.07B Y3**.

Self-Hosted AI Workspace | *AI Infrastructure* — July 2026

- Built an OpenAI API workspace with model routing, user logins & usage tracking; shifted subscriptions to **pay-per-use**.

Eco-Composite Brick Research | *SIRE KIRTI SOLVE Scheme, BITS Pilani* — November 2025 - April 2026

- Secured **Rs. 2L funding**; prototyped parali-plastic bricks across **5 mixes**, achieving **6.5 MPa**; replaced NaOH with $Ca(OH)_2$.

Leadership & Responsibilities

Secretary, NSS (National Service Scheme), BITS Pilani — May 2025 – May 2026

- Led NSS across **8 departments,7 villages & 200+ volunteers**;oversaw budgeting, inventory, procurement despite funding freeze.
- Raised **Rs. 7.5L**, disbursed **Rs. 8L+ scholarships** to **100+ students**; built Treasurer Portal & led **30+ initiatives**.
- Introduced **Finance Guidelines & billing templates**; streamlined approvals & cleared **6 reimbursement cycles** with no dues.

Captain, Skating & Roll Ball Team, BITS Pilani — April 2025 - April 2026

- Led BITS to **first team Gold at InterBITS 2025**; formed first girls' team & conducted trials for **60+ players**; state player 2018.

Head of Social Media and Design, Civil Engineering Association, BITS Pilani — March 2025 - April 2026

- Revived **L.I.T.E.**, civil department magazine, after **5-year gap**, leading **10-member team**; managed CEA's social media.
