Bachelor of Engineering in Civil Engineering, Minor in Finance — *August 2023 – July 2027*

Delhi Public School — Jaipur, Rajasthan, India
Class 12 - Score - 89.6%, Class 10 - Score - 93.6% — *2022-23, 2020-21*

Certifications & Skills

McKinsey Forward — McKinsey & Co. | *Digital Product Management — Univ. of Virginia (Coursera)*
Technical Proficiency: n8n, APIs, Google Analytics, Advanced Excel, Power BI, Figma, JIRA, SQL & Python (Learning)
Courses: Fundamentals of Finance & Accounting, Financial Management, Derivatives & Risk Management,Business Analysis & Valuation

Work Experience

AI Automation Intern, Growth & SEO — July 2026 - Present
Univest, Gurgaon (SEBI-registered stock advisory & trading platform) — *In-Office*

- Architected event-driven AI publishing pipeline (n8n, APIs) detecting live market events, generating SEO articles & images; scaled 200 → 800+ blogs/day across 15+ variations at $40/day, cutting production from 2-3 hours to 2-3 minutes per article.
- Diagnosed keyword cannibalisation threatening domain-wide rankings as volume scaled; designed a three-state URL model (original / consecutive / update-in-place with revalidation) capping URLs per stock at 2 while keeping content fresh live across 4 engines.
- Drove 550+ new web sign-ups in August (15% of 3,500 total) & 10%+ MoM lift in organic traffic & conversions; built live Python dashboard, tracking blog counts across all variations and automated Google Play Store review responses for support team.

Product Management Intern — August 2024 - January 2025
House of Fandom — *Remote*

- Led marketplace expansion from US to UK & Australia, owned end-to-end listing migration across eBay & Amazon for 100+ SKUs, restructuring product titles, tags and categories using keyword-gap analysis to establish search visibility in new markets.
- Drove market research on trends; translated findings into positioning decisions that shaped category prioritisation & listing strategy.
- Contributed to social media content strategy, ideated & executed short-form video content across platforms to drive product discovery

Operations Analyst Intern — May 2025 - July 2025
The Akshaya Patra Foundation, Jaipur — *In-Office*

- Independently identified 20 KL/day of reject water (28% of input) as inefficiency across dual-stage RO plant processing 100 KL/day.
- Analysed 3 months of data; flagged 19% lower yield during operating months vs shutdown months, surfacing scheduling inefficiency.
- Designed 3 treatment proposals to recover reject water to potable grade; cost-modelled at Rs.35–60L & presented to administration.

Projects

Spotify India | *Market Entry & GTM Strategy* — October 2024

- Sized India's concert ticketing market at Rs.30–47B via bottom-up triangulation; identified Rs.20B demand-supply gap as opening.
- Benchmarked BookMyShow (60-70% share); mapped 2×2 competitive framework revealing personalization as uncontested space.
- Dual-track GTM: BookMyShow partnership for Day 1 infra+regional acquisitions; projected market share of 4% → 18% over 3 years.
- Built 3-stream revenue model (commission + Premium upsell + BMS share); projected Rs.190M Year 1→ Rs.2.07B Year 3 (10x).
- Proposed city launch sequence (Delhi→ Mumbai→ Bengaluru→ Ahmedabad) based on density, income levels & streaming demand.

Self-Hosted AI Workspace | *AI Infrastructure* — July 2026

- Built a ChatGPT-style internal AI workspace on OpenAI API with multi-model routing & image generation, replacing per-seat subscriptions with pay-per-use billing for scalable team-wide AI access and centralized model management.
- Built per-user authentication, admin controls & token-usage tracking for secure team deployment and usage monitoring at scale.

Eco-Composite Brick Research | *SIRE KIRTI SOLVE Scheme, BITS Pilani* — November 2025 - April 2026

- Secured Rs.2L funding from limited projects selected institute-wide, to develop eco-composite bricks from Parali & plastic waste.
- Led R&D from literature review through mix design & prototyping; replaced NaOH with Ca(OH)2 as safer binder— 10 bricks cast.

Leadership & Responsibilities

Secretary, NSS (National Service Scheme), BITS Pilani — May 2025 - April 2026

- Headed NSS across 8 departments, 7 villages; coordinated 200+ volunteers & sustained operations with zero external sponsorship.
- Built financial system; drafted Finance Guidelines, Kacha Bill template & Treasurer Portal; cleared 3-year certificate backlog.
- Oversaw Rs.7.5L fundraising & Rs.8L+ scholarship disbursement under Umang; supported 100+ students across schools in Pilani.
- Delivered Junoon(100+ specially-abled children), Shop For a Smile(Rs.1.1L+ Revenue) & 30+ initiatives; managed Rs.28.5L+ budget

Captain, Skating & Roll Ball Team, BITS Pilani — April 2025 - April 2026

- Led BITS Pilani Roll Ball team to first-ever team Gold at InterBITS 2026, winning multiple BOSM medals across competitions.
- Organised institute-level selection trials & training camps; managed logistics, travel coordination & game strategy in events.

Head of Social Media and Design, Civil Engineering Association, BITS Pilani — March 2025 - April 2026

- Delivered revival of L.I.T.E., departmental magazine after a 5-year gap as Editor-in-Chief; led team across writing, design & print.
- Implemented social media strategy & visual identity for CEA; created content for events & college fests, increasing presence.

Co-Curricular Activities

IRCS (Indian Red Cross Society) Volunteer | *NSS Blood Donation Camp, BITS Pilani* — February 2025

- Led BDC'25 & BDC'26 end-to-end with 669 and 582 donations respectively; certified IRCS volunteer across 2 consecutive years.

Member, NCC(National Cadet Corps)- 1 RAJ BOYS BATTALION — July 2019 – April 2021

- Developed discipline and foundational knowledge in defence protocol and armed forces operations.
